

KNOW THE SIGNS SEX TRAFFICKING

HIDDEN IN PLAIN SIGHT

If you see someone who:

- Is fearful, anxious, depressed, submissive, tense, or nervous/paranoid
- Avoids eye contact
- Appears malnourished
- Shows signs of physical or sexual abuse, physical restraint, confinement, or torture
- Has few or no personal possessions
- Is not allowed or able to speak for themselves (someone else may insist on being present or translating)
- has numerous inconsistencies in their story

**They may be a victim of
sex trafficking!**
